All items are subject to availability. A discretionary service charge of 10% will be added to your bill with VAT included.

To complete your Middle Eastern experience, why not try an authentic Shisha? With origins in India and Persia, a shisha is a water pipe is used to smoke sweetened and flavoured tobacco. Popular in North Africa and the Middle East, shisha is smoked socially alongside food and drink.

Using the finest molasses, our shishas are prepared upon request and include a vast array of flavours. Our fresh fruit shishas include lemon, pineapple and watermelon. If you're feeling adventurous, experiment with our exclusive flavours including Paan, Skittles and Cuban Mojito.
